WINTER 2018 • VOLUME VIII

FROM THE MAYOR'S DESK

In celebration of our nation's 242nd birthday, the July 4 at Lake Holt boasted a capacity crowd that enjoyed an evening of fun, food, family, and fireworks. This year's fireworks display was spectacular. In August, the Town hosted "Alive After Five" at Gazebo Park. I'm sure the crowd enjoyed the shade just as much as the music. Granville County is working on a branding project for tourism. This effort will greatly enhance Butner and bode well for our future.

Central Regional Hospital celebrates its 10th anniversary this year. The Town appreciates each of its workers and those who work at other nearby state and federal facilities who come to Butner every day, eating at our restaurants and coming to our events.

The new LakeSide Grill opened at Lake Holt on August 1st. Coupled with the great view and the new playground, we hope you'll take some time for a bite before you go fishing or kayaking. It'll be a great place to watch the leaves turn and enjoy a nice meal.

Our Veterans Day Ceremony will feature combat veteran Allen Chesser. He introduced our keynote speaker for our Memorial Day event. I hope you will join us as we round out the year with our fall and winter events!

- Mayor Terry Turner

HEALTH BEAT

Chronic obstructive pulmonary disease (COPD) is a chronic inflammatory lung disease that causes obstructed airflow from the lungs. Symptoms include difficulty breathing, cough, mucus production and wheezing. It's caused by long-term exposure to irritating gases or particulates, most often from cigarette smoke. Protect your lungs to improve your life! www.cdc.gov/copd/index.html
