

Manager's Report **March 5, 2021**

1. Met with the Beautification Committee to discuss future plans for Christmas decorations, Central Avenue Tree planting, and Gazebo Park maintenance issues. Gazebo Park maintenance issues have mostly been implemented. Councilmember Smoak will present plans for these recommendations at our Budget retreat.
2. Attended Manager's meeting at Harry Mils office. It seems like Butner is leading the way in industrial plant expansions and hiring.
3. Working with Planning Department on some zoning permit issues. Hope to have update by Council meeting.
4. Held our monthly meeting with Scott Schroyer and Mayor to update each other on activities taking place in Butner and surrounding area. This is always a very informative meeting. We also discussed making sure SGWASA is a participant in the County's retreat. May have been a misunderstanding this year.
5. Coordinated County Board Retreat presentation with Planning Director and Mayor. Attended virtual retreat with them at Town Hall.
6. Department heads turned in their budget request on Wednesday, February 24. Susan and I will be working on revenues and expenses to prepare for our budget retreat on March 23rd.
7. Duke Energy's legal counsel has been in touch with Attorney Wrenn to discuss the contract for the lights on Hwy 56.
8. Spoke with Alicia at the Lakeside Grill to follow COVID-19 guidelines including wearing of masks.
