

Manager's Report **November 4, 2021**

1. Attended the monthly Granville County Chamber of Commerce meeting in Oxford. They were very complimentary of the Alive After 5 event. They loved the location.
2. Attended the Manager's meeting in Creedmoor. County Manager Felts invited a consultant to our meeting to briefly discuss a new proposed Fire Tax district(s) for Granville County.
3. The Town held a flu shot clinic on Thursday, October 14th.
4. Completed the RFQ for the sidewalk around D street, 12th street and E street. This will be advertised immediately.
5. The Department of Agriculture will be preparing the MOU to relocate the gate at Lake Holt. The State Fair put them behind a little bit.
6. Barb, Mike, and I have been working on the Tourism video for the TOB. We hope to have a final proposal soon.
7. Thirteen days into the Covid Incentive project, we have had very little participation.
8. SGAA has added some new Board members. We are working on their fall schedules.
9. Attended the Umstead Town Center small area plan meeting.
10. Reid Daniel is in contact with Duke Energy concerning outdoor lighting options for the Gazebo Park.
11. I have not received the Lighting contracts for Hwy 56 streetlights. I will try to have an update at our Council meeting.
12. The hearing impaired device has been replaced in the Council Room. The previous unit was broken.
